## Blessing Scarfs

Here are pictures of some of the blessing scarfs left on the doorsteps of our parishioners heading back to school this year . Reid (left) even wore his on his first day back—others put it where it would help concentrate on homework; and others thought of a variety of ways to have it remind them of our thoughts and prayers

**Drape me 'round your neck.... Tie me 'round your head... toss me on your desk... Hang me on your bed**

**I am a blessing Scarf, made especially for you by your parish family to remind you of our prayers and thoughts as you head back to school**

The Rotary Club of Middleton is pleased and proud to honour Ed Fry on his 50 years of membership in the Club. Congratulations, Ed! He is shown here accepting his award from Club President, Bob Demers. Ed is our third member in three years to receive his 50 years of membership award.

**Way to go Ed Fry !**

## Working Together to reach out

All Saints and Holy Trinity joined forces to produce a delicious Ham, Potato Scallop, Beans, Coleslaw and Dessert Take Out Dinner on Oct 29th

All proceeds went to our Fair Share Community Outreach - which is now over \$1700 richer. Money will go to help struggling neighbours as Covid takes its economic toll

A huge thanks to all who helped produce 140 meals  
Special thanks to organizers  
Mary MacBurney and  
Lorrie Penny

For the past few months, Lynn Uzans and Wade Seymour have been videoing short services for Heart of the Valley Care Residence. They consist of prayer, scripture, a short message and music-. If you would like to receive a link to these, please contact Lynn

### Jeanette Coulstring has been busy indeed!

She has now made masks for clergy and Licensed Lay Ministers and her Remembrance Mask raised \$250 in just one week for the Legion Poppy Drive

### So has Rachel Ryan...

31 pairs of mittens and counting! And that's on top of 3 more prayer shawls since September!

## No Stone Left Alone

A huge thank you to John MacEachern for organizing and promoting this year's No Stone Left Alone project.. And another big thank you to Dianne LeGard for her book which allowed students to study information about each of the airmen buried here.

Students from Middleton High School were the only Nova Scotians to take part in this year's national "No Stone Left Alone" project, visiting Old Holy Trinity Cemetery to place poppies on the graves of airmen who died while training at Greenwood during WW II

On Remembrance Day, International flags flew from the War Memorial at Holy Trinity Cemetery. Covid meant there were no large Services but the |Kingston and Middleton Legions held small gatherings; some people stood on their porch/in their driveway in silence at 11. Still others put crosses on relatives
